Why BAW Congress is Different

Organized By BioAg Professionals

Exclusively planned and managed by passionate BioAg professionals and sustainable farming influencers.

Comprehensive Program

Engage, network and celebrate with BioAg stakeholders. Analyze industry trends, innovations and leadership insights critical for success.

Fully Integrated Sustainability Event

Showcasing integrated sustainable smart farming: Biofertilizers, Biostimulants, Biopesticides and Precision AgTech.

Balanced Congress and Expo Focus

Balanced convergence of science, innovation and commerce through congress and expo, facilitating matchmaking.

Key Stakeholder Engagement

Unites farmers, agronomists, policymakers, regulators, business leaders, marketers, investors and the food industry.

Globally Regional Approach

Annual rotation across continents for fresh, regional matchmaking opportunities, maintaining a truly global perspective.

Recognizing Sustainable Champions

Honors Global Sustainable Grower, Exceptional Business Leader and Pioneering Innovation Awards through independent voting.

Ongoing Think Tank Collaboration

Global Regulatory and Leadership Think Tanks drive actionable dialogue and deliverables for tangible grower solutions.

“Each year moving to a new ecosystem, new continent, with new farming needs, innovations, opportunities and alliances — a truly global event, with new regional mix, organized with local stakeholders: by the industry, for the industry.”
